

# Coastal SoundLab: Hartlepool

## Tuesday 20th - Saturday 24th August

### Coastal SoundLab

Daily. Tuesday 20th - Saturday 24th August. 10am – 4pm.

No need to book – just drop in

Contribute to the SoundLab installation using your mobile device to add new sounds to the artwork.

### Beneath the waves

Tuesday 20th August. 10am – 4pm. No need to book – just drop in

Explore marine life and heritage sites of the North East Coast. From shipwrecks to seagrass meadows, there is another world hidden beneath the waves.

### Zeppelin Sound Walk: From 1916-to-now

Wednesday 21st August and Saturday 24th August.

Meet at 1pm at Hartlepool Art Gallery, Church Square. Book online

21st - <https://tinyurl.com/5979cvve> | 24th - <https://tinyurl.com/3u928af4>

Join artist Rob Smith for this sound walk to Ward Jackson Park revisiting sites that were hit by the Zeppelin raids of 1916. Discover more about the Sound Mirrors that were built to defend the North East Coast and how our soundscapes have changed over the last century.

## Object Handling

Wednesday 21st August

Tuesday 20th August. 10am – 4pm. No need to book – just drop in

Get hands-on with objects from our museum collection to learn more about Hartlepool during the world wars.

## Soundmirror 3D modelling workshop

Thursday 22nd August 10am – 4pm. No need to book – just drop in

Ever wanted to know how to make 3D models with a digital camera? Now is your chance! Join artist Rob Smith in this fun interactive session that will provide an introduction to making digital 3D models with a process called photogrammetry.

## SoundLab: Coding Soundscapes

Friday 23rd August 1pm – 4pm. Book online

<https://tinyurl.com/yztc26kk>

Join sound artist Shelly Knotts for an interactive workshop remixing data into sounds with computer code. Explore ways in which different kinds of environmental data can be used to make new creative sound collages. No prior knowledge needed!
